Saskatchewan College of
Occupational Therapists

Extended Access Membership Initial Application Form

Extended access membership is available to a person who is currently registered as an occupational therapist and is in good standing pursuant to the legislation of another jurisdiction in Canada.

SCOT extended access members **must** maintain a valid licence or permit to practice in another Canadian jurisdiction while holding an extended access membership.

An extended access membership entitles a member to provide virtual services to a person who is physically situated in Saskatchewan and to the following privileges:

- to have a voice, but no vote, at the annual and special meetings of the SCOT; and
- to receive publications of the SCOT.

SCOT extended access members must obtain a practising membership and practising licence if they wish to provide in-person services as an occupational therapist in Saskatchewan.

There is a \$100.00 extended access membership application fee in addition to a \$75.00 annual membership fee. The SCOT membership year runs from March 1 until the last day of February of the following year (Example: March 1, 2022 – February 28, 2023). Membership renewal is due prior to February 15th of each year.

Proof of current registration and regulatory history from your current regulatory organization is required to proceed with your initial application.
